

With the New Year Now in full swing MDRC are excited to offer:

New Clinics - Polework / Polework progressing to jumps – Open to All!

At Chestnut Wood Farm, Scragged Oak Lane, Detling ME14 3HL

These clinics will be held with Emma Handebeaux in the large arena at Chestnut Wood Farm. There will be max 4 riders per group for an hour's session – (grouped for similar ability). There is a choice of polework only, or polework progressing to small jumps – let us know if you want to jump (or not) and the max height you are comfortable with. The sessions will work on rhythm and athleticism for you and your horse/pony.

There is good parking at this venue, and we have 2 dates selected. Please book early so we know the clinic is going to be viable – (we have subsidized this clinic for MDRC members) so book as soon as you please! And get 2024 underway!
